# Meagan's Story

It is the hope of Meagan's Walk that someday no child will have to die from a brain tumour.

The health and well being of our children is everyone's business and Meagan's Walk helps make it your business.

Please JOIN Meagan's Walk TODAY. You can participate as an individual or better yet, lead a team!

Go to [www.meaganswalk.com](http://www.meaganswalk.com) for all the details on how to register.

Meagan Bebenek was only four years old when she was diagnosed with brain stem glioma, a cancerous brain tumour. Two weeks after her fifth birthday she passed away. Meagan's legacy is Meagan's Walk.

Taking place each year on Mother's Day, thousands come out to support Meagan's Walk and spread the message of hope.

To date over \$1.7 million has been raised through the Walk to support brain tumour research and this year's goal is to raise \$400,000.00.

On Sunday, May 9th, we invite you to join the thousands who will come out to Ontario Place along the shores of Lake Ontario to support this great event.

Beginning at Ontario Place walkers, runners, and strollers start out on the 5 km trek to SickKids where the thousands of participants complete the walk in a human hug of the hospital. It only takes a couple hours out of your day and what a great way to celebrate Mother's Day.

The Mission of Meagan's Walk is to share the message of hope, to increase public awareness about brain tumours and the devastating effects they have on children and their families and to raise valuable financial resources for research into paediatric brain tumours.

*"If I had one wish, I'd wish that my baby brother Jack would get better and not have a brain tumour."*

- Ryan

*As a mother and grandmother I've never enjoyed Mother's Day more and felt there was such a purpose to this special day as I've found spending it joining the walk and hug in Toronto. I don't get cards on Mother's Day, I get sponsors!*

- Ann Philpot

*When doing the hug at the end of the walk you see all the kids faces from the windows with hope in their eyes that some day there will be a cure.*

- Marion

*Meagan's Walk is an unbelievable event that gives hope and purpose to many families that have been affected by this terrible disease. Eventhough my son lost his battle with cancer, I have no doubt that this event will be instrumental in finding a cure.*

- Susan, Shawn's Mom
